

Fangs and Blubber (The Vampire Whale)

(Chorus)

Searching for blood

On the high seas

Fangs and blubber

A mammal's disease

Captain hawk sails in the night

With 300 men

They sail out of sight

(chorus)

Approaching the ship

The men did not see

The vampire whale

Swimming for thee

(chorus)

Captain hawk with a mark o on his throat

300 zombies now sail his boat

(chorus)
