

I'm A Pittsburgh Steeler Fan

(Chorus)

I'm a Pittsburgh Steeler fan.

I wear black and gold when il can.

I ain't got much to say

But the cowboys get out my way

And this song ain't gonna play in Dallas

(Chorus)

I don't want to be mean,

But I hate the Raider team.

And the Steelers are going to cream Oakland.

(Chorus)

I know know this might not be right,

But the Dolphins aren't much of a fight.

It's gonna be a fish fry in Miami.

(Chorus)

This is really what I think,

The Browns really stink.

They ain't got a chance in Cleveland.
