

It's Time To Watch The Steelers

(CHORUS)

It's time to watch the Steelers

Get my jersey number 58

I love to watch the Steelers

Pittsburgh Steelers

I hate the cowboys and I hate the browns

I hate the raiders every time they come to town

Hate the broncos and I hate the bucs

Those bengals really suck

Tell the wife to shut the heck up

And get the kids out my way

The TV's on and my lucky seat

A beer in my hand and a pillow under my feet

(CHORUS)

(CHORUS)

I hate the rams and I hate the chargers

raven games bring a lot of fighting

We smack the cardinals and we slap the niners

When we beat the jets there's nothin' finer

(CHORUS)

(repeat 1st verse) x2

Pittsburgh Steelers (repeat...)
